Data Sources: Logistics Cluster, WFP, UNGIWG, OSM
 Map Reference: IIRQ_CONOPS_Logistics Cluster_A3L_20150812
 The boundaries and names and the designations used on this map do not imply official endorsement or acceptance by the United Nations.

In each Emergency Site the Logistics Cluster will establish:
 - Common Storage for emergency distributions (Food Parcels, Hygiene Kits, Shelter kits, Blankets, Kitchen sets, etc.)
 - Common Storage for services and site management equipment (latrines, community tents, water, fuel, etc.)
